Licensing Representation for the Premises Licence Review for CLUB JETSET, 252 High Street, London, NW10 4TD

I certify that I have considered the application shown above and wish to make representations, which is detrimental to the Licensing Objectives for the reasons indicated below.

Officer: Esther Chan—Licensing Inspector

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to review the premises licence under section 51 of the Act. The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

History of Complaints

fights and an allegation of rape within the last 6 weeks. In addition there are numerous Criminal Intelligence reports concerning the premises and a catalogue of calls to Police in relation to incidents at and outside the premises from patrons. Police have attempted to work with the management and recently in June 2010 the owner attended an interview at Wembley Police Station when all the allegations and incidents were discussed with him. Despite assurances that things would change the amount of Crime and disorder has continued to present day.

It is my opinion that the only way to stop a continuance of the Crime and Disorder is to seek an expedited review with a view to a closure of the premise.

Dear All,

As you are familiar with the wonderful Jet Set I have another incident from this weekend. I was woken by on-going load shouting at 4:40am Sunday 30th June 2013. I called the number 101 to report the incident as the shouting was going on for 20 minutes, case reference CAD 2684 30 June. On this particular morning my partner was actually coming back home and was able to witness what was going on. He informed me there was a group of males about 6 or 7 all standing outside Jet Set shouting and making loads of noise.

They would then jump out in front of passing cars yelling at the drivers. They were clearly drunk and un-aware of the dangerous to themselves and others who are driving at that time of the morning!

Again I'm asking the council and the licensing committee just how safe and wise it is to have late night binge drinking places?! Not only is it a nuisance to the local council paying residents but it also posing a danger to others who were driving that morning on the high street.

Had that person knocked over a drunk man whose fault would it have been and distort would that driver have been in the process?! Also to make you aware of just how noise these men were at 4:40am. Jet Set is on the main road, I could hear them from Palermo road and I was fast asleep in the middle bedroom, and I'm a heavy sleeper. So these men were being extremely loud and Jet Set management or bouncers where nowhere to be seen.

Just to let you know I will be reporting every incident and keeping a file of just how many times I'm having to raising complaints about this establishment.

08/09/2013 Email to Cllr from a resident - Dear 08/09/2013- Cllr response
Councillors

Yet again on my way home from work this morning at 4.30am I had the misfortune to be driving past the above night club when a massive fist fight spilled out on the road. The fight involved several males, punching and kicking each other and hitting each other with bottles. The two sole Police Officers in attendance were trying valiantly to stop the fight but were clearly outnumbered. There was raised voices, shoes and mobile phones in the road ...it was pandemonium!!!! I felt so sorry for those Officers. They were then assisted by other Officers who turned up at the location. All the while the fight continued and was witnessed by several bus passengers as well.

It was indeed a very very disturbing sight and, unfortunately a common one at this club. My heart goes out to the poor residents who have to endure this continual anti social behaviour. Additionally, I fear for my safety every time I have to drive past this notorious club. You hear about all this gang warfare and people getting shot by stray bullets...it very frightening.

This club attracts undesirables into Brent. You know that and so do the Police. Why, therefore, can't all the responsible authorities get together and close this place down. Harlesden would be such a safer place if this was actioned.

As a Council, can't you take steps to close this club down before there is a fatality. Councillor, this club is a melting pot for anti social behaviour and members of the public and local residents shouldn't have to endure such events. I am sure the Police would love to see this club closed down as well.

A licence can be reviewed. The evidence can be provided by the police, the Council, councillors and the public. The police are now well aware of this venue. As I am a member of the Licensing committee I have to stay neutral in case it comes before my committee. I hope the Kensal Green councillors contact you. I will also contact the police and relevant council officer.

Resident complaint received:

I am writing to make a complaint about
Club Jet Set on the Harrow Road. I live
on Palermo Road (at the Harrow Road
end) and every weekend my partner
and I are disturbed by the night club.

Aside from the music which can be
heard, each Saturday, when the club
closes at 4am it seems that the
clientele congregate outside of the club
for at least an hour, shouting at each
other. The management and door staff
seemingly do nothing to move them on
(or clear up the vomit that the clubbers
kindly leave in the area too).

Three weeks ago the police were called
due to the trouble that was being
caused this is not an isolated incident
and in the 18 months I have lived in the
area, the police have been called
regularly.

Aside from the noise pollution and litter
that is evident post club nights; within
one mile of the venue there have been
three stabbings in the last few weeks.
The area has more than its fair share of
violent crime already and judging by the
shouting and arguing that occurs every
weekend outside the club, it seems
quite possible that more violence will

Email response from noise
team to resident

Dear Ms*****

This is more of a Licensing
issue. I will make a referral
to the Licensing Police
regarding this. While they
may not be on duty at that
time in the morning, they
may be able to proactively
visit the club during their
duty hours and give advice
to management. Any anti­
social behaviour at street
level may also be reported
to the Police (dial 101).

The Licensing Team are
currently looking into your
complaint and may be able
to enforce any conditions on
the licence regarding crowd
dispersal. However, the
individual Teams will decide
on the best course of action
and update you accordingly.
I have copied the relevant
erupt in the near future.

I fully appreciate that people need to have somewhere to go for entertainment, but the management is clearly not responsible enough to handle such a late license in a primarily residential area. Added to this there is no public transport at the time the club closes or a local cab office in the vicinity, so I do wonder the extent to which drink/drug-driving is being encouraged, and drug dealing within very close proximity to the school on Furness/Palermo Road.

I’d be keen to know on what basis a late license has been granted to this club, what checks are made to ensure that it is operating in a professional manner, and what steps will be taken to reduce the extent to which the club is disturbing its residential neighbours. It is simply not fair that my weekends (and I expect those of many other local residents) should be ruined on a regular basis.

Please acknowledge receipt of this email and let me know by when you will respond to the points above. If I should send it to a different team, please let me know.

Kind regards

Dear Ketan

I would like to register another complaint about the noise from Club Jet Set, again this Saturday. I was able to hear music from the club at various points during the night and early morning. And as usual there was considerable disturbance as the club emptied and people congregated on the street to shout at each other.

**Licensing Visit**

As a result of the review application made by the Licensing Police, a meeting with the company director MCS INC Ltd / DPS, Mr Antonio Eugenio Martins was held at the premises on Thursday 27th 2017 at approximately 11:00hrs. The premise was not open to the public at the time of inspection. Based on my visit, the following outcome was found based on the existing conditions:

**Condition 1 - Admission to club by Club Scan, photographic ID to be produced by all patrons (driving licence, passport, oyster card) to staff and electronic records to be kept on Club Scan and checked every time a patron attends the premises.**

Mr Martins confirmed that he had ordered a club scan machine from America, which arrived 2 weeks ago but had not been able to operate the machine as the format of the programme was not compatible with the UK. He is awaiting new software but in the meantime, he is using a temporary machine which takes pictures of ID cards and stores the images on a memory card via a camera.

**Condition 2 - At least 2 door supervisors shall be employed after 22:00 hours on any day when the premises are open for the sale of alcohol past midnight.**

Mr Martins stated that he employs five to six door supervisors (all males) and they are on duty from 23:30hrs.

**Condition 3 A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.**

Mr Martins presented a register, however there were no indication when the door supervisors end their shifts as the ‘Out’ column was not filled in. Secondly, the register confirms that door supervisors start their shift between 23:30hrs to 00:00hrs (See Exhibit EC09 & EC10).

**Condition 5 - CCTV shall be installed and maintained in a working condition.**

**Condition 6 - All CCTV recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.**

In relation to Conditions 5 & 6, Mr Martins was not able to show me footage to demonstrate CCTV recordings are kept for 31 days in order to prove the CCTV system is in good working order. Mr Martins stated he would normally request a CCTV technician to retrieve any required footage.

**Condition 11 - Notices explaining the licensee's policy on admission and searching shall be placed at each entrance.**

There were no visible notices displayed at the entrance to explain the licensee’s policy on admission.

**Condition 12 - The Portman Group proof of age scheme or similar such scheme shall be adopted.**

Mr Martins stated that he does not supply alcohol to anyone under 18, however there were no prominent Portman Group proof of age scheme posters displayed at the point of sale or around the premises. Mr Martins stated that he wants to adopt Challenge 25 as he believes this will attract a maturer crowd. He is aware that the younger crowd are more prone to instigating physical fights. Mr Martins employs two members of staff to manage the bar and one to two members of staff to manage the floor. However, staff training is not recorded.
Condition 17 - One toilet attendant in each of the male and female toilets at all times during licensing hours.
Mr Martins admitted that this condition has not been fulfilled for the past 4 months as he is experiencing difficulties in hiring long term toilet attendants. He stated they do not tend to stay due to not receiving enough tips from customers.

Condition 18 - The management reserve the right to refuse entry to all persons not in smart casual dress. Smart casual dress not to include football tops, hooded tops, sports tops, jeans or trainers.
Mr Martins admitted that customers are permitted to enter premises in jeans as long as they are smartly dressed.

Summary

The premises is only open every Saturday and on rare occasions on a Friday. Mr Martins stated that this business is his only source of income and he endeavours to keep this ‘community club’ in operation. His main clientele are regular customers and the majority are from London.

Based on my assessment, there is evidence that the premises is poorly managed. In light of the number of complaints which the Licensing Authority have received and the number of breaches identified during my visit, the Licensing Authority suggest that Mr Antonio Eugenio Martins is removed as the DPS and a new appointment is made.

To assist the new DPS further in maintaining adequate control over the venue and its customers, the following changes would be necessary and appropriate in order to promote the licensing objectives.

The Licensing Authority suggest that the following conditions be removed from the current premise licence:

Condition 2 - At least 2 door supervisors shall be employed after 22:00 hours on any day when the premises are open for the sale of alcohol past midnight.

Condition 5 - CCTV shall be installed and maintained in a working condition.

Condition 6 - All CCTV recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.

Condition 12 - The Portman Group proof of age scheme or similar such scheme shall be adopted.

Condition 17 - One toilet attendant in each of the male and female toilets at all times during licensing hours.

Condition 18 - The management reserve the right to refuse entry to all persons not in smart casual dress. Smart casual dress not to include football tops, hooded tops, sports tops, jeans or trainers.

Condition 42 - Regular announcements be made from 03:00 hours reminding patrons to leave in a quiet and orderly manner from the premises.

All of the above are out dated.
The Licensing Authority suggest that the following conditions shall remain on the current premise licence:

**Condition 1** - Admission to club by Club Scan, photographic ID to be produced by all patrons (driving licence, passport, oyster card) to staff and electronic records to be kept on Club Scan and checked every time a patron attends the premises.

**Condition 3** - A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.

**Condition 11** - Notices explaining the licensee's policy on admission and searching shall be placed at each entrance.

**Condition 13** - Notices clearly explaining the licensee's drugs policy shall be displayed at the entrance and at suitable places throughout the premises.

**Condition 14** - The front smoking area is to be limited to 10 persons at any one time and there is to be no consumption of alcohol, soft drinks or food. Area to be monitored by door staff.

**Condition 15** - The rear fire exit is to remain closed and only be used in the case of emergency.

**Condition 16** - No persons are to be permitted to remain at the rear of the club premises.

**Condition 21** - An emergency lighting system shall be installed and maintained in good order.

**Condition 22** - Public transport information including night time travel options shall be made available.

**Condition 23** - All windows and doors shall remain closed during licensed activities. Where a door is used for patrons to enter or exit the premises the door shall be fitted with a self closing device and shall not be propped open.

**Condition 24** - Windows and doors shall be fitted with an alarm that instructs staff when the window or door has been opened.
Condition 25 - Entrance exit to the premises shall be via a lobbied door.
Condition 26 - All speakers shall be mounted on anti-vibration mountings.
Condition 27 - No music shall be audible at or within the site boundary of any residential property.
Condition 28 - All entertainments shall utilise the in-house amplification system, the maximum output of which shall be controlled by the duty manager.
Condition 29 - The level of amplified entertainments shall be controlled by a sound limiting device set at a level agreed with the licensing authority.

Condition 34 - Notices explaining the licensee's policy on admissions and searching shall be placed at each entrance.
Condition 35 - All deliveries shall take place during the normal working day (i.e. 09:00 to 18:00 daily).
Condition 36 - No children shall be admitted unless accompanied by a responsible adult.
Condition 37 - Nudity, striptease and other entertainment of an adult nature shall not be permitted on the premises.
Condition 38 - The licensee shall undertake a risk assessment agreed by the police and licensing authority of any significant promotion or event, using the Metropolitan Police Service/Event Risk Assessment Form (Form 696) or an equivalent and provide a copy to the Metropolitan Police and Brent Licensing Unit not less than 14 days before the event is due to take place.
Condition 39 - Where an event has taken place the licensee shall complete a Debrief Risk Assessment Form (Form 696A) and submit this to the Metropolitan Police and Brent Licensing Unit within three days of the conclusion of the event.
Condition 40 - There shall be a minimum of two SIA qualified supervisors wearing high visibility jackets deployed at the front of the premises away from the door on Friday and Saturday nights. They shall remain in position until the crowd has fully dispersed so as to ensure the safe and quiet dispersal from the premises.
Condition 41 - Facilities within the premises shall be made available for customers to await taxis.

Condition 43 - The Premises Licence Holder shall adhere to all existing conditions on the licence including timings.

Condition 44 - The Premises Licence Holder shall continue to work in partnership with the Police.

The Licensing Authority suggest the following conditions be added to the current premise licence:

**CCTV**
