1. Promote fluoride varnish as part of the Make Every Contact Count Programme
2. Consider ways to encourage residents to register with a dentist as part of the Brent Landlord Registration Scheme – this could be incorporated into new Council Tax registrations.
3. Re-examine the notion of school visits by dentists, with a pilot on a smaller scale.
4. Collect data about visits at dental practices on a wider scale.
5. Consider a Harlesden-specific recommendation to address the issue of high number of dental admissions in hospital and events taking place between tooth decay and dental update
