**Police Representation to the application to vary the Premises Licence for '43 Park Parade, London, NW10 4JD**

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application. I am of the opinion that the risk to the objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

.

Officer: Michael Sullivan  
PC 368QK Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to vary the premises licence under section 34 of the act.

The Police representations are primarily concerned with Protection of Children from Harm

The applicant Mr M REICH has submitted an application to vary his licence to allow the sale of alcohol **off** the premises as part of a delivery service using Deliveroo and Ubereats, however the application makes no reference to how checks to verify the ages of the person ordering or taking delivery of the orders will be verified or checked.

The applications schedule refers to conditions the premise already have as conditions for on sales, but make no reference to how off sales will be adopted.

Police would need to know what checks the restaurant will conduct, and how this will be achieved with an external delivery company.

Deliveroo and Ubereats are a delivery company but I am not aware that any of their staff are trained in the sale and supply of alcohol.

It is the responsibility of the licence holder to uphold the licensing objectives, and he has made no reference as to how this will be done at the point of sale or when the delivery is made by either Deliveroo or Ubereats.

I would ask that this application be refused as it has no clear plan to uphold the licensing objectives and appears that no thought has been given to how to prevent the possible sale of alcohol to children.

Yours Sincerely

Michael Sullivan
