Dear Chris

Thanks for your email. Please accept our apologies for the delay in responding. I am picking this up from Alun who is currently on honeymoon.

We are waiting for a copy of our client's fire risk assessment. However it seems that the provisional capacity of 150 has now been scaled back to:

- 40 external covers
- 44 internal covers
- 5- 8 members of staff, plus standing space

I will try to get some clarity on numbers of standing customers for you ASAP.

Kind regards

Jack

Dear Ms Burton

I work for the Public Safety Team and will be consulting on this application. I note that the requested capacity is 150 including staff, May I ask how this conclusion was reached.

Kind regards
