

Proposed Primary School Published Admission Number Reductions

School	Existing PAN (2018/19 and 2019/20)	Proposed PAN (2020/21)	Reception Offers for September 2018	Reception Numbers on roll January 2018
Harlesden Primary School	90	60	58	52
Uxendon Manor Primary School	120	90	102	74

1. **Harlesden Primary School** is a three form entry primary school with a PAN of 90 in the Reception year group, located in Primary Planning Area 4. The school was expanded by two forms of entry from a PAN of 30 in 2014 in response to increased demand in the area. Demand in the area has reduced and the school regularly admits around 60 pupils. The school has requested a reduction to its PAN to 60 as the school is undersubscribed each year, which presents challenges for the school's budget in terms of the ratio of pupil funding to teaching staff.

There would be sufficient places in Primary Planning Area 4 for forecast Reception demand if the school's PAN reduced.

2. **Uxendon Manor Primary School** is a four form entry primary school with a PAN of 120 in the Reception year group, located in Primary Planning Area 2. The school was expanded by two forms of entry from a PAN of 60 in 2015 in response to increased demand in the area. Demand in the area has reduced. The school has requested a reduction to its PAN to 90 as the school is undersubscribed each year, which presents challenges for the school's budget in terms of the ratio of pupil funding to teaching staff.

There would be sufficient places in Primary Planning Area 2 for forecast Reception demand if the school's PAN reduced.

3. In all cases above, the PAN could be increased in the future without the need to consult.
