## **Oversubscription Criteria for Brent Community Schools in 2020/2021**

The criteria set out below apply to the 30 Brent community schools listed on page 2.

Voluntary aided or religious faith schools, foundation schools, free schools and academies have their own admission policies. Parents should visit the website of these schools for a copy of their admission arrangements or visit [www.brent.gov.uk/admissions](http://www.brent.gov.uk/admissions)

Applications for children with an Education, Health and Care Plan (EHCP) are made by Local Authority SEN teams. The placement of such children is made after a process of consultation between parents, the school and the Local Authority. Children with an EHCP receive priority over others for admission to the school named on their EHCP. An Education, Health and Care plan is a plan made by the Local Authority under Section 37 of the Children and Families Act 2014 specifying the special education provision required for that child.

Schools should not admit more than 30 pupils in each class for Reception, Year 1 & Year 2. This is to enable the Local Authority to meet its statutory duty of having no more than 30 pupils in each class at Key Stage 1. Three year old children should not be admitted to Reception classes.

The following criteria are clear, fair and objective. It is illegal for schools to discriminate against a pupil on the basis of his/her ethnicity.

Whenever and wherever possible, children are offered a school of their parents' preference and in practice the majority of children go to the school which their parents select for them.

Sometimes, however, there are more applications for a certain school than there are places available. This is described as oversubscription. Whenever this happens, pupils are offered places in the following order of priority:

### **1. Looked After Children or previously Looked After Children**

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.

The highest priority must be given to looked after children and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted, or became subject to a child arrangements order, or special guardianship order. This includes such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

### **2. Children adopted from state care outside of England**

Children who appear to Brent Council to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

### **3. Linked infant school**

Children attending an infant school on the same site as a junior school.

This criterion will only affect admission to a junior school that is on the same site as the infant school the child attends immediately prior to the transfer.

### **4. Medical or Social needs**

Exceptional circumstances to do with significant medical needs and or social needs.

This criterion relates to the child's medical and/or social needs. The application must be supported by written evidence that sets out the particular reasons why the school in question is the most suitable and the difficulties that would be caused if the child had to attend another school. The recommendation for this specific school should demonstrate knowledge of the school in terms of resources and organisation which deems it essential that the named pupil be admitted to the specific school. The Council will not give higher priority to children under this criterion if the required documents have not been submitted.

#### *Medical Needs*

Applications made on medical grounds must be accompanied by compelling medical evidence from a hospital consultant at the time of application. The letter from the hospital consultant must provide information about the child's medical condition, the effects of this condition and why, in view of this, the child needs to attend the parent's preferred school. If the school is not the closest to home, the consultant must set out in detail the wholly exceptional circumstances for attending this school and the difficulties if the child had to attend another school. Medical claims will only be considered for one school and this should be named by the consultant. In assessing these applications, advice will be sought from Brent's Special Education Needs Service.

#### *Social Needs*

Applications made on social grounds must be accompanied by compelling evidence at the time of application. Social needs claims will be considered where there is involvement from a social worker, or other professional and where it can be demonstrated that the child has exceptional social needs that cannot be met at any other school. Parents' circumstances can have an impact on a child's social needs and evidence of this will be considered.

### **5. Siblings in catchment area**

Brothers or sisters of a child who attends the school, or an infant or junior school on the same or adjoining site, *living in the catchment area of the school* and who will continue to do so on the date of admission.

This includes half and step brothers and sisters and foster children so long as they live at the same address - but **not** cousins. Siblings attending the same school should have priority over those attending a separate school on the same site.

### **6. Children of staff**

Children whose parent is a member of staff who has been employed at the school for two or more years at the time of application or has been recruited to fill a vacancy for which there is a demonstrable skill shortage.

### **7. In catchment area**

Children living within the school's catchment area.

The catchment area is the defined neighbourhood in which the school is sited. It is generally bounded by major roads and/or railway/tube. The catchment area is defined by the Local Authority and is designed to ensure that each address in the borough falls into the catchment area of one school. Information on which streets make up a catchment area can be obtained from the Local Authority, the school, the Local Authority's website and the Local Authority's composite prospectus.

### **8. Siblings outside catchment area**

Brothers or sisters of a child who attends the school, or an infant or junior school on the same or adjoining site, and who will continue to do so on the date of admission.

This includes half and step brothers and sisters and foster children so long as they live at the same address - but **not** cousins. Siblings attending the same school should have priority over those attending a separate school on the same site.

## **9. All other applicants.**

### **'Tie-break' Distance Measurement**

Where pupils meet the same criteria, places will be offered in order of the distance from home to school which will be measured by straight-line, from the address point in the property to the address point in the school, as determined by LLPG (Local Land Property Gazetteer) data. The measuring system is an integral part of the admission software produced by Servelec Synergy Ltd, uses Ordnance Survey maps and LLPG data and is accurate to 1 centimetre.

### **Twins, Triplets and other children of multiple births**

In the event that the school has one place to offer and the next child on the waiting list is one of twins, triplets or other children of multiple births, the Local Authority will offer both twins, all triplets or children of multiple birth a place even if this means temporarily going over the published admission number.

### **Split residence**

Where a child lives with parents with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If the residence is not split equally between both parents then the address used will be the address where the child spends the majority of the school week.

### **Admission to community school nurseries**

The timeline and oversubscription criteria for a place in a nursery class in a community school are the same as for a Reception place. The council does not co-ordinate applications for nursery places. Applications for a nursery place in a community school must be made directly to the school by 15th January 2020. Offers will be made on 16th April 2020 by the school. If the nursery is oversubscribed the Community Schools Oversubscription Criteria will be applied.

## **How places will be allocated at Brent community schools for September 2020 in Reception (Primary and Infant schools) and Year 3 (Junior Schools)**

There is no automatic transfer from nursery to Reception class. Parents wanting to apply for a place at Reception **must** complete an application which is available on line or a paper Common Application Form (CAF).

If more applications are received than there are places available, places are offered up to a school's planned admission number to applicants whose application is received by the closing date in accordance with the oversubscription criteria listed on page 3 using an equal preference system (see below).

### **Equal preferences**

Each preference is treated as a separate application. Then using the oversubscription criteria each application is considered and ordered in a list based on how well it meets the oversubscription criteria (page 3).

If applicants qualify for a place at more than one school, a place is offered at the school given the highest ranking by the applicant.

Application forms will be available from September 2019 and the closing date for applications will be 15 January 2020. Offer letters and e-mails will be sent out on 16 April 2020.

### **Deferred Entry**

Parents can request that the date their child is admitted to school is deferred until later in the year in which they apply or until the term in which the child reaches statutory school age. Statutory school age begins the first day of the term after a child's fifth birthday.

Parents wishing to defer entry must contact the school to advise them of this after a place has been offered.

Parents can also request that their child attends part-time until their child reaches statutory school age.

### **Applications for children outside the normal age group**

The Council's policy is for children to be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children. This is in line with the Department for Education's (DfE) most recent "Advice on the Admission of Summer Born Children", published in December 2014, which states that, "in general, children should be educated in their normal age group, with the curriculum differentiated as appropriate, and that they should only be educated out of their normal age group in very limited circumstances".

If parents/carers believe their child should be educated in a different year group they should submit an application for the 'normal' Reception round for their child, and provide supporting evidence from relevant professionals working with the child and family stating why it is in the child's best interest to be placed outside their normal age appropriate cohort. DfE guidance makes clear that "it is reasonable for admission authorities to expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case".

For community schools, the Council as the admission authority will decide whether the application will be accepted on the basis of the information submitted. Decisions will be based on the individual circumstances of each case including the view of parents, the relevant head teacher(s), the child's social, academic and emotional development and whether the child has been previously educated out of year group.

There is no guarantee that an application will be accepted on this basis. If the application is not accepted this does not constitute a refusal of a place and there is no right to an independent statutory appeal. Similarly there is no right of appeal for a place in a specific year group at a school. The internal management and organisation of a school, including the placement of pupils in classes, is a matter for the head teacher and senior leadership of individual schools.

### **Late Applications and changes after the closing date**

Application forms must be received by Brent Council by the closing date of 15 January 2020.

Applications received after the closing date will be considered as late applications and will be processed after places have been allocated to applicants who applied on-time. However, in very exceptional circumstances applications received after the closing date may be considered as on time.

Applicants who consider they have exceptional circumstances that prevented them applying between applications opening in September 2019 and the closing date of 15 January 2020 should provide independent written evidence explaining why the application was late no later than 5pm on Friday 7 February 2020.

Additionally, any changes to the application (e.g. order of school preference or change of preferences) received after the closing date will be treated in the same way as late applications.

### **Changes of Address after the closing date**

Changes of address will only be considered after applicants are resident at the new address and evidence to demonstrate this has been supplied. Applications will not be processed from an intended future address except in the case of Crown servants and UK service personnel.

Evidence must be received by 5pm on Friday 7 February 2020 for the new address to be used when processing the application and calculating home to school distances. Any change of address evidenced after 5pm on Friday 7 February 2020 will not be included until after national offer day 16 April 2020.

### **Waiting Lists**

If the school place allocated is not the first preference, the child's name will automatically be placed on the waiting list for schools which have been ranked higher than the offer made. Community school waiting lists will then be maintained by the Council whilst voluntary aided, foundation and academy schools' waiting lists will be maintained by the schools.

Waiting lists are not maintained on a 'first come - first served' basis. Waiting lists are kept in the priority order as explained in the oversubscription criteria.

Places are offered from the waiting list throughout the year. When a place becomes available, it is offered to the first child on the list and, if it is accepted, all other children will move up the list. Children may also move down the waiting list if another family, with a higher priority under the oversubscription criteria, ask for their child's name to be added to the list.

Applicants, who ask for their child's name to be placed on the waiting list for another school after a school place has been allocated, are indicating they prefer this school to the other school already allocated. If at a later date a place is offered from the waiting list, this new offer will supersede any previous offer, which will then be withdrawn.

Looked after children and previously looked after children, and those allocated a place at the school in accordance with Brent's Fair Access Protocol, will take precedence over those on a waiting list.

Lists will be maintained throughout the school year. A child's position on the waiting list does not depend upon the time they have been on the list but will be determined by how they meet the oversubscription criteria.

This means that a child's position on the list can go down as well as up, depending upon the child's circumstances and those of other applicants.

The waiting list will be closed each year and will not roll over. A new application will have to be made for a new academic year.

### **Appeals**

Parents can appeal against any decision made by Brent Council about the school where they would like their child to be educated.

When an appeal form is requested, the child's name is automatically placed on the waiting list for that school, if it is not already included.

A child admitted to a school as a result of a successful appeal will be admitted in precedence to those on the waiting list.

There is no right of appeal against any decision not to offer a place in a nursery.

### **In-Year Applications**

Applications received outside the normal admissions round will be considered in line with the oversubscription criteria.

A place will be offered at the school requested provided there is a vacancy in the appropriate year group. Where the year group is full and it is not possible to meet the parental preference, a place will be offered at the nearest primary school with a vacancy in the year group.

The address used to process the application will be the address where the parent and child normally live and they must be living there at the time of application.

Admission of one child to a primary school does not give a right of admission for brothers or sisters, if places are not available for all at the same time.

## PAN LONDON CO-ORDINATED ADMISSIONS SYSTEM

### Brent LA Scheme for Co-ordination of Admissions to Year 7 in 2020/21

#### Applications

1. Brent LA will advise home LAs of their resident pupils on the roll of Brent LA's maintained primary schools and academies who are eligible to transfer to secondary school in the forthcoming academic year.
2. Applications from residents of Brent will be made on Brent LA's Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule 1 to this LA Scheme. These will be supplemented by any additional fields and information which are deemed necessary by Brent LA to enable the admission authorities in the LA area to apply their published oversubscription criteria.
3. Brent LA will take all reasonable steps to ensure that every parent/carer who is resident in this LA and has a child in their last year of primary education within a maintained school or academy, either in this LA or any other maintaining LA, is informed how they can access this LA's composite prospectus and apply online. Parents/carers who do not live in this LA will have access to this LA's composite prospectus, which will advise parents/carers to contact their home LA if they are unable to apply online.
4. The admission authorities within Brent LA will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary information forms are used by the admission authorities within Brent LA, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with paragraph 2.4 of the School Admissions Code 2014.
5. Where supplementary information forms are used by admission authorities in Brent LA, they will be available on Brent LA's website. Such forms will advise parents that they must also complete their home LA's Common Application Form. Brent LA's composite prospectus and website will indicate which schools in Brent LA require supplementary forms to be completed and where they can be obtained.
6. Where an admission authority in Brent LA receives a supplementary information form, Brent LA will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Common Application Form, in accordance with paragraph 2.3 of the School Admissions Code 2014.
7. Applicants will be able to express a preference for six maintained secondary schools or Academies within and/or outside the Home LA.
8. The order of preference given on the Common Application Form will not be revealed to a school within the area of Brent LA. This is to comply with paragraph 1.9 of the School Admissions Code 2014 which states that admission authorities must not give extra priority to children whose parents rank preferred schools in a particular order, including 'first preference first' arrangements. However, where a parent resident in this LA expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that

LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.

9. Brent LA undertakes to carry out the address verification process as set out in its entry in LIAAG Address Verification Register. This will in all cases include validation of resident applicants against Brent LA's primary school data and the further investigation of any discrepancy. Where Brent LA is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than **12 December 2019**.
10. Brent LA will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is currently or previously a 'Child Looked After' and will provide any evidence requested by the maintaining LA in respect of a preference for a school in its area by **13 November 2019**.
11. Brent LA will advise a maintaining LA of the reason for any application which is made in respect of a child resident in the area of Brent LA to be admitted outside of their correct age cohort, and will forward any supporting documentation to the maintaining LA by **13 November 2019**.

## Processing

12. Applicants resident within Brent LA must return the Common Application Form, which will be available and able to be submitted on-line, to Brent LA by **31 October 2019**. However, Brent LA will publish information which encourages applicants to submit their application by **18 October 2019 (i.e. the Friday before half term)**, to allow it sufficient time to process and check all applications before the mandatory date when data must be sent to the PLR.
13. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of this LA's scheme, will be uploaded to the PLR by **13 November 2019**. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.
14. Brent LA will accept late applications only if they are late for a good reason, deciding each case on its own merits.
15. Where such applications contain preferences for schools in other LAs, this LA will forward the details to maintaining LAs via the PLR as they are received. Brent LA will accept late applications which are considered to be on time within the terms of the home LA's scheme.
16. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA's scheme is **13 December 2019**.
17. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA will accept the application as on-time up to **12 December 2019**, on the basis that an on-time application already exists within the Pan-London system.
18. Brent LA will participate in the application data checking exercise scheduled between **16 December 2019 and 2 January 2020** in the Pan-London timetable in Schedule 3A.

19. All preferences for schools within Brent LA will be considered by the relevant admission authorities without reference to rank order to comply with paragraph 1.9 of the School Admissions Code 2014. When the admission authorities within Brent LA have provided a list of applicants in criteria order to this LA, Brent LA shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. [This is the 'Equal Preference System'.]
20. Brent LA will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS for all maintained schools and academies in Brent LA's area before uploading data to the PLR.
21. Brent LA will upload the highest potential offer available to an applicant for a maintained school or academy in this LA to the PLR by **3 February 2020**. The PLR will transmit the highest potential offer specified by the Maintaining LA to the Home LA.
22. The LAS of Brent LA will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved, or until **14 February 2020** if this is sooner.
23. Brent LA will not make an additional offer between the end of the iterative process and **2 March 2020** which may impact on an offer being made by another participating LA.
24. Notwithstanding paragraph 23, if an error is identified within the allocation of places at a maintained school or academy in Brent LA, Brent LA will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a home or maintaining LA) Brent LA will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, Brent LA will accept that the applicant(s) affected might receive a multiple offer.
25. Brent LA will participate in the offer data checking exercise scheduled between **17 and 24 February 2020** in the Pan-London timetable in Schedule 3A.
26. Brent LA will send a file to the E-Admissions portal with outcomes for all resident applicants who have applied online no later than **25 February 2020**.

## Offers

27. Brent LA will ensure that, if there are places available, each resident applicant who cannot be offered a preference expressed on the Common Application Form receives the offer of an alternative school place in accordance with paragraph 2.11 of the School Admissions Code 2014. Where this is the case, Brent will offer a place at the nearest suitable maintained school or academy with a vacancy.
28. Brent LA will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.

29. Brent LA's outcome letter or e-mail will include the information set out in Schedule 2.
30. On **2 March 2020**, this LA will send by first class post or by e-mail notification the outcome to resident applicants.
31. Brent LA will provide primary schools with destination data of its resident applicants by the end of the Summer term **2020**.

### **Post Offer**

32. Brent LA will request that resident applicants accept or decline the offer of a place by **16 March 2020**, or within two weeks of the date of any subsequent offer.
33. Where an applicant resident in Brent LA accepts or declines a place in a school within the area of another LA by **16 March 2020**, Brent LA will forward the information to the maintaining LA by **23 March 2020**. Where such information is received from applicants after **16 March 2020**, Brent LA will pass it to the maintaining LA as it is received.
34. Where a place becomes available in an oversubscribed maintained school or academy in Brent LA's area, it will be offered from a waiting list ordered in accordance with paragraph 2.14 of the School Admissions Code 2014.
35. When acting as a maintaining LA, Brent LA will place an applicant resident in the area of another LA on a waiting list of any higher preference school in this LA's area.
36. Where a waiting list is maintained by an admission authority of a maintained school or academy in Brent LA's area, the admission authority will inform Brent LA of a potential offer, in order that the offer may be made by the home LA.
37. When acting as a maintaining LA, Brent LA will inform the home LA, where different, of an offer for a maintained school or academy in Brent LA's area which can be made to an applicant resident in the home LA's area, in order that the home LA can offer the place.
38. When acting as a maintaining LA, Brent LA and the admission authorities within it, will not inform an applicant resident in another LA that a place can be offered.
39. When acting as a home LA, Brent LA will offer a place at a maintained school or academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the Common Application Form than any school already offered.
40. When acting as a home LA, when Brent LA is informed by a maintaining LA of an offer which can be made to an applicant resident in Brent LA's area which is ranked lower on the Common Application Form than any school already offered, it will inform the maintaining LA that the offer will not be made.
41. When acting as a home LA, when Brent LA has agreed to a change of preferences or preference order, it will inform any maintaining LA affected by the change. In such cases, paragraphs 39 and 40 shall apply to the revised order of preferences.

42. When acting as a maintaining LA, Brent LA will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
43. When acting as a maintaining LA, Brent LA will accept a change of preferences or preference order (including reinstated or additional preferences) from home LAs for maintained schools and academies in its area.

Brent LA, when acting as a home LA, after preferences expressed in accordance with paragraph 7 above have been determined, will allow applicants to express additional preferences before the start of the school term. The order of preferences expressed will supersede any existing preferences without an offer.

## PAN- LONDON CO-ORDINATED ADMISSIONS SYSTEM

### Brent LA Scheme for Co-ordination of Admissions to Reception/Junior in 2020/21

#### Applications

1. Applications from residents of Brent LA will be made on Brent LA's Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule 1 to this LA Scheme. These will be supplemented by any additional fields and information which are deemed necessary by Brent LA to enable the admission authorities in the LA area to apply their published oversubscription criteria.
2. Brent LA will take all reasonable steps to ensure that every parent/carer who is resident in Brent LA and has a child in a nursery class within a maintained school or academy, either in Brent LA or any other maintaining LA, is informed how they can access Brent LA's composite prospectus and apply online. Parents/carers who do not live in Brent LA will have access to Brent LA's composite prospectus, which will advise parents/carers to contact their home LA if they are unable to apply online.
3. The admission authorities within Brent LA will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary information forms are used by the admission authorities within Brent LA, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with paragraph 2.4 of the School Admissions Code 2014.
4. Where supplementary information forms are used by admission authorities in Brent LA, they will be available on Brent LA's website. Such forms will advise parents that they must also complete their home LA's Common Application Form. Brent LA's composite prospectus and website will indicate which schools in Brent LA require supplementary forms to be completed and where they can be obtained.
5. Where a school in Brent LA receives a supplementary information form, Brent LA will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Common Application Form, in accordance with paragraph 2.3 of the School Admissions Code 2014.
6. Applicants will be able to express a preference for up to six maintained primary schools or academies within and/or outside the Home LA.
7. The order of preference given on the Common Application Form will not be revealed to a school within the area of Brent LA to comply with paragraph 1.9 of the School Admissions Code 2014. However, where a parent resident in Brent LA expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.
8. Brent LA undertakes to carry out the address verification process set out in its entry in the LIAAG Address Verification Register. This will in all cases include validation of resident applicants against Brent LA's maintained nursery and primary school data and the further investigation of any discrepancy. Where Brent LA is not satisfied as to the

validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than **11 February 2020**.

9. Brent LA will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is currently or previously a 'Child Looked After' and will provide any evidence requested by the maintaining LA in respect of a preference for a school in its area by **5 February 2020**.
10. Brent LA will advise a maintaining LA of the reason for any application which is made in respect of a child resident in the area of Brent LA to be admitted outside of their correct age cohort, and will forward any supporting documentation to the maintaining LA by **5 February 2020**.

### **Processing**

11. Applicants resident within Brent LA must return the Common Application Form, which will be available and able to be submitted online, to Brent LA by **15 January 2020**.
12. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of Brent LA's scheme, will be up-loaded to the PLR by **5 February 2020**. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.
13. Brent LA will accept late applications only if they are late for a good reason, deciding each case on its own merits.
14. Where such applications contain preferences for schools in other LAs, Brent LA will forward the details to maintaining LAs via the PLR as they are received. Brent LA will accept late applications which are considered to be on time within the terms of the home LA's scheme.
15. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA's scheme is **11 February 2020**.
16. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA will accept the application as on-time up to **10 February 2020**, on the basis that an on-time application already exists within the Pan-London system.
17. Brent LA will participate in the application data checking exercise scheduled between **12 and 26 February 2020** in the Pan-London timetable in Schedule 3B.
18. All preferences for schools within Brent LA will be considered by the relevant admission authorities without reference to rank order to comply with paragraph 1.9 of the School Admissions Code 2014. When the admission authorities within Brent LA have provided a list of applicants in criteria order to Brent LA, Brent LA shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. [This is the 'Equal Preference System'.]
19. Brent LA will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS for all maintained schools and academies in Brent LA's area before uploading data to the PLR.

20. Brent LA will upload the highest potential offer available to an applicant for a maintained school or academy in Brent LA to the PLR by **20 March 2020**. The PLR will transmit the highest potential offer specified by the Maintaining LA to the Home LA.
21. The LAS of Brent LA will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved, or until **27 March 2020** if this is sooner.
22. Brent LA will not make an additional offer between the end of the iterative process and **16 April 2020** which may impact on an offer being made by another participating LA.
23. Notwithstanding paragraph 22, if an error is identified within the allocation of places at a maintained school or academy in Brent LA, Brent LA will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a home or maintaining LA) Brent LA will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, Brent LA will accept that the applicant(s) affected might receive a multiple offer.
24. Brent LA will participate in the offer data checking exercise scheduled between **30 March and 9 April 2020** in the Pan-London timetable in Schedule 3B.
25. Brent LA will send a file to the E-Admissions portal with outcomes for all resident applicants who have applied online no later than **14 April 2020**.

### **Offers**

26. Brent LA will ensure that, if there are places available, each resident applicant who cannot be offered a preference expressed on the Common Application Form, receives the offer of an alternative school place in accordance with paragraph 2.11 of the Schools Admissions Code 2014. Where this is the case, Brent will offer a place at the nearest suitable maintained school or academy with a vacancy.
27. Brent LA will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.
28. Brent LA's outcome letter or e-mail will include the information set out in Schedule 2.
29. Brent LA will, on **16 April 2020**, send by first class post or by e-mail notification the outcome to resident applicants.
30. Brent LA will provide nursery and primary schools with destination data of its resident applicants by the end of the Summer term 2020.

### **Post Offer**

31. Brent LA will request that resident applicants accept or decline the offer of a place by **30 April 2020**, or within two weeks of the date of any subsequent offer.

32. Where an applicant resident in Brent LA accepts or declines a place in a school maintained by another LA by **30 April 2020**, Brent LA will forward the information to the maintaining LA by **7 May 2020**. Where such information is received from applicants after **30 April 2020**, Brent LA will pass it to the maintaining LA as it is received.
33. Where a place becomes available in an oversubscribed maintained school or academy in Brent LA's area, it will be offered from a waiting list ordered in accordance with paragraph 2.14 of the School Admissions Code 2014.
34. When acting as a maintaining LA, Brent LA will place an applicant resident in the area of another LA on a waiting list of any higher preference school. Where this is not done automatically, it will be done immediately following a request from the home LA.
35. Where a waiting list is maintained by an admission authority of a maintained school or academy in Brent LA's area, the admission authority will inform Brent LA of a potential offer, in order that the offer may be made by the home LA.
36. When acting as a maintaining LA, Brent LA will inform the home LA, where different, of an offer for a maintained school or academy in Brent LA's area which can be made to an applicant resident in the home LA's area, in order that the home LA can offer the place.
37. When acting as a maintaining LA, Brent LA and the admission authorities within it, will not inform an applicant resident in another LA that a place can be offered.
38. When acting as a home LA, Brent LA will offer a place at a maintained school or academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the Common Application Form than any school already offered.
39. When acting as a home LA, when Brent LA is informed by a maintaining LA of an offer which can be made to an applicant resident in Brent LA's area which is ranked lower on the Common Application Form than any school already offered, it will inform the maintaining LA that the offer will not be made.
40. When acting as a home LA, when Brent LA has agreed to a change of preferences or preference order, it will inform any maintaining LA affected by the change. In such cases, paragraphs 38 and 39 shall apply to the revised order of preferences.
41. When acting as a maintaining LA, Brent LA will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
42. When acting as a maintaining LA, Brent LA will accept a change of preferences or preference order (including reinstated or additional preferences) from home LAs for maintained schools and academies in its area.
43. Brent LA, when acting as a maintaining LA, will maintain waiting lists and allocate places, as they become available, in accordance with each admission authority's published admission and oversubscription criteria.
44. Brent LA, when acting as a home LA, will carry out the initial offer of places which become available after National Offer Day by the week ending **15<sup>th</sup> May 2020**.
45. Brent LA, when acting as a home LA, after preferences expressed in accordance with paragraph 7 above have been determined, will allow applicants to express additional

preferences before the start of the school term. The order of preferences expressed will supersede any existing preferences without an offer.

From: Home LA

Dear Parent/Carer,

Application for a Secondary / Primary School

*I am writing to let you know the outcome of your application for a secondary/primary school. Your child has been offered a place at X School. The school will write to you with further details.*

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants has a higher priority than your child under the school's published admission criteria.

*Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.*

If you would like more information about the reason that your child was not offered a place at any higher preference school, you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in the borough of X are attached to this letter. If the school is outside the borough of X, the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

*Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let us know what alternative arrangements you are making for your child's education.*

You must contact this office if you wish to apply for any other school, either in this borough or elsewhere.

Your child's name has been placed on the waiting list for any school which was a higher preference on your application form than the school you have been offered. If you need to find out your child's position on the waiting list please contact the admission authority or the borough in which the school is situated.

*Please return the reply slip to me by **16 March 2020 (sec)** / **30 April 2020 (prim)**. If you have any questions about this letter, please contact me on \_\_\_\_\_.*

Yours sincerely

*(First preference offer letters should include the paragraphs in italics only)*

## **Brent Council's Scheme for Co-ordination for In-Year Admissions 2020/21**

### **Definitions**

"the Home LA" the LA in which the child is resident

"the Maintaining LA" the LA which maintains a school to which an applicant has applied

### **Section 1: Applications**

1. Applications for Brent Council's community schools will be made on a Brent In-Year Application Form. This will include all the fields and information specified in Schedule 1 of this scheme. These will be supplemented by any additional fields and information which are deemed necessary by Brent to enable the admission authorities in the LA area to apply their published oversubscription criteria.

Brent Council will process applications for Brent community schools and will offer to coordinate applications for voluntary aided, foundation and academy schools.

2. The admission authorities within Brent Council will not use supplementary forms except where the information available through the In-Year Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary forms are used by the admission authorities within Brent Council, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria.
3. Where supplementary forms are used, they will be available from the school concerned and available on Brent Council's website. Any supplementary forms must advise parents that they must also complete Brent's In-Year Application Form. Brent Council's admission booklet and website will indicate which of Brent Council's schools require supplementary forms to be completed and where they can be obtained.
4. Where an admission authority in Brent Council receives a supplementary form, it will not consider it to be a valid application until the parent has also listed the school on the In-Year Application Form.
5. Applicants will be able to express a preference for up to six maintained primary schools or academies within Brent Council.
6. Brent Council will carry out address verification for each application.
7. Brent Council will check the status of any child where the application is based on the child being a looked after child, a previously looked after child or a child adopted from state care outside of England.

### **Section 2: Processing**

8. Applicants for Brent Council's maintained schools or academies must complete and return the In-Year Application Form to Brent Council or if applying for a place at a voluntary aided (faith), foundation or academy school to the school directly unless the school has agreed for the coordination of the In-Year Application by Brent Council.
9. Where an application is not fully completed, Brent Council and/or the school will not treat the application as valid until all information is received.

10. If Brent Council receives a common application form with an application for a school that has not agreed to the council co-ordinating In-Year applications, they will send details of the application to the relevant schools via the secure website.
11. Brent voluntary aided, foundation and academy schools will aim to inform the LA of the outcome of any application within **20 school days** from receipt of the application.

### **Section 3: Offers**

12. Where a child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
13. Where a child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
14. Where a Brent resident child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest Brent community school with a vacancy if they are not already on-roll at a suitable school within a reasonable distance/travelling time.

### **Section 4: Post-offer**

15. Brent Council and voluntary aided, foundation and academy schools will request that parents accept or decline the offer of a place within two weeks.
16. Brent Council and Brent voluntary aided, foundation and academy schools will make every reasonable effort to contact the parent to find out whether or not they wish to accept the place. Only where the parent fails to respond and Brent Council and Brent voluntary aided, foundation and academy schools can demonstrate that every reasonable effort has been made to contact the parent, will the offer of a place be withdrawn on behalf of the admission authority.
17. Where a parent accepts or declines a place in a school Brent and the pupil is not a Brent resident, Brent Council will forward the information to the home LA.

### **Section 5: Waiting lists**

18. Applicants will be not be automatically placed on the waiting list for school(s) ranked higher on the In-Year Application Form than any school already offered. Applicants will have to complete and return the waiting list form to be placed on the waiting list at any schools once an offer has been made for a preference school.
19. Waiting lists will be maintained and places allocated, as they become available, in accordance with each admission authority's published admission and oversubscription criteria.
20. The waiting list will be closed each year and will not roll over.

School waiting lists do not operate on a 'first-come, first-served' basis. A place on the waiting list, and whether a place will be offered if another child drops out, is determined by the admission's criteria. The child that meets the criteria the closest will be offered a place. The length of time a child is on the waiting list will not give priority over other applicants - it is possible for a child to go down the list as well as up.

Being on a waiting list does not guarantee a place at that school.

### **In-Year admissions (primary and secondary schools)**

Applications for places in any year groups other than the admissions rounds of the normal year of entry to primary and secondary schools (Reception and Year 7) will be treated as In-Year admissions.

Applications to Reception and Year 7 made after 1 September 2020 will also be administered as In-Year admissions.

Governing boards of voluntary aided, foundation and academy schools will have responsibility for administering applications for In-Year admissions for the academic year commencing 1 September 2020. The Council is the admission authority for community schools and will retain responsibility for the management of In-Year admissions to community schools.

Parents / carers seeking a place outside of the normal admissions round for Brent secondary or primary voluntary aided, foundation or academy schools may apply directly to each school in which they seek a place unless Brent is coordinating applications for In-Year. A list of the schools that Brent will be coordinating will be available on the website [www.brent.gov.uk/admissions](http://www.brent.gov.uk/admissions)

Parents/carers seeking a place in a Brent Community School must apply to the Council.

Applications for entry to schools in Reception and Year 7 will be administered by the Local Authority until 31<sup>st</sup> August 2020, after which they will be administered as In-Year applications.

The LA will transfer the waiting lists for Reception and Year 7 to voluntary aided, foundation and academy schools by 1st September 2020.

Voluntary aided, foundation and academy schools will maintain their own waiting lists. Governors will apply their determined arrangements and rank applicants to determine to whom an offer will be made when a vacancy becomes available.

The Council will maintain the waiting lists for its community schools.

Schools which are their own admission authority should inform applicants of the outcome of their application within 20 working days of receipt of the application. Schools must offer places in writing and must inform applicants of their right to appeal against the refusal of a place.

Schools will send offer letters and make timely arrangements for the admission of the child, which should be within two weeks of the place being accepted.

On receipt of an In-Year application, schools must notify the Local Authority in which the child resides of both an application and its outcome. This should be within 20 days of receiving the application.

In line with requirements of own admission authority schools, and in order for Brent LA to fulfil its statutory duty to provide information and guidance to applicants seeking a school place, schools must provide regular returns informing the authority of the number of vacancies in each year group on a weekly basis. This will enable the Authority to maintain accurate data on the availability of places in the area. Schools are required to make a 'nil' return where appropriate.

To ensure safeguarding arrangements are in place to identify children missing education (CME), schools are also required to include in their admissions returns a list of those pupils being taken off-roll, together with their confirmed destination.

Voluntary aided, foundation, and academy schools will use a common in-year application form drawn up by the Authority: this will not require that applicants name more than one school or indicate the order of preference, but will facilitate applicants in being able to make applications to more than one school more readily.

Schools using supplementary information forms will need to provide the Local Authority with copies.
