Police Representation to the application for a Premises Licence for 'Maroush Market Place' 5, McNicol Drive, Park Royal, London, NW10 7AJ.

I certify that I have considered the application shown above and I wish to make **representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by attaching conditions to the Licence as shown below.

If these conditions were accepted in full I **would** withdraw my representation.

Officer: Paul Scott PC 3302NW Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder and public safety.

In relation to the seasonal variation for **New Year's Eve into New Year's Day**, the timings are excessive. Police consider that licensable activities cease at 04.30hrs and close to the public at 05.00hrs. This includes other seasonal variations for **Bank Holiday Monday's**.

As the plan attached to Annex 4 of the premises licence may not be produced in colour, could the plans be labelled as such.

The wine store/tasting area to be labelled as 1.

The shop area be labelled as 2.

The restaurant be labelled as 3.

The Shisha smoking area be labelled as 4.

Personal Licence Holder

The sale of alcohol to drunken people and children is a major cause of concern to police and highlighted in the Governments Alcohol Harm Reduction Strategy. Those who sell alcohol

should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

Open Containers & Areas for Consumption of Alcohol

Customers will not be permitted to take open containers outside the premises, as defined in the plan submitted with the operating schedule and approved by Responsible Authorities.

The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

Closed circuit television cameras and recorders of an agreed image standard will be installed at locations on the premises and in accordance with advice from the Police.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Capacity Limit for Premises

Proper control of the numbers of people in the premises is essential to prevent overcrowding and the risk of disorder. There must also be adequate facilities to monitor and control the number of people present. The capacity limit will be set by officers from the local authority.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item.

Likewise the name of the Designated Premises Supervisor (D.P.S.) if required should be similarly displayed.

This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

A Summary of the Premises Licence will be displayed at the public entrance to the premises.

The conditions that Police require to be added to the Premises Licence are listed below:

CCTV shall be installed to Home Office Guidance standards and maintained in a good working

condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council.

A CCTV camera shall be installed to cover the entrance of the premises.

Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.

Door supervisors of a sufficient number and gender mix shall be employed from 21.00hrs on Friday, Saturday and any night before a bank holiday when the premises are open to the public for licensable activities.

A register/log containing the names, badge number, dates and times of duty of security staff and any incidents that occur, shall be kept and made available to the police and license authority.

A sign stating "No proof of age – No sale" shall be displayed at the point of sale.

A "Challenge 25" policy shall be adopted and adhered to.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

Notices requesting customers to leave quietly shall be displayed at each exit.
Customers carrying open or sealed drinking vessels or bottles shall not be admitted to the premises

Customers will not take open drinking vessels outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

Any staff directly involved in selling alcohol for retail to consumers, staff who provide training and all managers will undergo regular training of Licensing Act 2003 legislation. This will be documented and signed for by the DPS and the member of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

Alcohol supplied in the restaurant (numbered on the plan submitted with the application as 3), shall be supplied to seated customers with substantial food.

Alcohol will be supplied to customers in the external shisha area (numbered on the plan submitted with the application as 4) by waiter service, to those customers seated and participating in Shisha smoking.

No children shall be permitted on the premises after 23.00hrs hours

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

(a) All crimes reported to the venue

- (b) All ejections of patrons
- (c) Any complaints received
- (d) Any incidents of disorder
- (e) All seizures of drugs or offensive weapons
- (f) Any faults in the CCTV system or searching equipment or scanning equipment
- (g) Any refusal of the sale of alcohol
- (h) Any visit by a relevant authority or emergency service.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

Yours Sincerely

Paul Scott PC 3302NW
Brent Licensing Constable
