Police representation to the Provisional Statement for Retail Unit 6, Construction Unit 12, Plot NW08, Olympic Way, HA9 0FA.

I certify that I have considered the application shown above and I wish to make **representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

Officer: **Nicola McDonald**
Licensing Constable PC 157QK

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The provisional statement has been submitted under section 29 of the act.

The Police representations are concerned with all four of the licensing objectives.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Likewise the name of the Designated Premises Supervisor (D.P.S.) should be

similarly displayed. This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

A Summary of the Premises Licence will be displayed at each public entrance to the premises.

Major Event at Wembley Stadium

This has to be a key factor in this application due to the proximity of the venue to the national football stadium and risks associated with alcohol consumption at events. Security industry authorised door supervisors employed on the premises will support staff during these busy days to manage the numbers of customers within the venue, implement a controlled queuing system and deter crime and disorder.

Non standard timings

Police consider that the premises opening for 40.5 hours from 0800 hours on New Years Eve to 0030hours on 2nd January to be excessive. Police suggest that licensable activities be extended and cease at 0330hrs on 1st January the premises close to the public at 0400 hours. Standard timings for licensable activities then resume. SIA registered door supervisors of suitable gender mix shall be on duty from 2100hours until 30 minutes after the premises is closed for licensable activities. A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.

SIA supervisors shall wear clothing that can be clearly and easily identified on CCTV.

Police request the following conditions be attached to annex 2 of the premises licence

CCTV cameras shall be installed to cover the entrance of the premises and the external areas

This staff member must be able to provide a Police or Authorised Council Officer copies of recent CCTV images or data with the absolute minimum of delay when requested.

The Licence holder /DPS/Manager shall inspect and test that the CCTV is operational and working correctly on a weekly basis. A signed and dated record of the CCTV examination and any findings shall be kept on the premises and made available to the police and authorised officers of the Local Authority on request.

staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

Notices asking customers to leave quietly shall be conspicuously displayed at all exits.
