About Vale Lottery Community Fund:

Vale Lottery is a weekly lottery that directly supports good causes which benefit the Aylesbury Vale community.

Lotteries are a fun and effective way for causes to raise much needed funds in these difficult times. By getting more people on board, they don't just raise funds, they also raise awareness.

When you play the Vale Lottery you know that 60% of your ticket price goes to good causes (more than DOUBLE what the National Lottery gives) AND the money raised is going to good causes that benefit your local community.

Proceeds generated from this page go into a general good cause fund, administered by Aylesbury Vale District Council, which will be spent on providing vital support to a wide range of local organisations.

You can see the organisations currently receiving support here:
