

Re: Jackman's Licence review.

Dear sir/ madam,

My name is [REDACTED] and I go to Neasden temple every Friday and Sunday and I shop at Neasden lane for varies things while I wait for bus. I go to Jackman's to top up Oyster and send money to send money to Sri Lanka.

On my last visit I noticed that Jackmans have stopped selling following number of letters from Brent council blaming them for crime and street drinking in this area. This has greatly hindered the business. I am certain that the council is aware that the problem are on-going even after they have stop the sale of alcohol. This shows that this establishment is not connected to the problems highlighted on the notice posted. It is the people who live and commute to the area are the real cause of these problems as Neasden lane is a links many different bus routes. These commuters get drunk and cause disturbance by loitering near the shops and bus stops. I have noticed people getting of the bus and going into Booty off licence to buy alcohol to drink while they wait.

I urge the council to take robust action to reduce bus traffics and make it a safe place for shoppers and business to thrive.

Yours sincerely,

[REDACTED]
