Dear Sir/Madam,

RE: Jackman's Off licence review, case ref 2019-2077.

I am writing this letter regards the public notice posted on the jackman's off licence.

I am the regular customer of Jackman's off licence. I usually visit this shop for top up mobile phone, lottery and buy goods.

I noticed that the above shop is not selling the alcohol for the street drinkers, but I saw that they are selling soft drinks like coca cola and energy drinks for alcoholic drinkers.

I completely disagree the notice that say Jackman's is the reason for the public issues, crimes and violence happening in that area.

I hope you will find the correct reason for the crimes and the issues.

Yours sincerely,
