Dear sir/madam,

Re: jackman's off licence review. Case ref: 2019-2077

I am writing this regarding the jackman's off-licence case.

My name is Zith Silva. I am working number of years in launder centre that places near jackman's off licence.

I am usually visiting to jackman's off licence. I know jackman's off licence is temporarily stop selling alcohol. But all the problems are happening as same as before.

I saw that the most people on the street are drinking the strong beer but jackman's are not selling the strong beer.

Your decision about the jackman's is totally wrong. Please find the actual solution and solve that problems.

Yours sincerely,

Zith Silva.
