Dear Sir or Madam,

RE: Jacksman's Off licence review.

I have been a regular customer of Jackman's for a while. Myself and my friends visit the to send money and top up oyster as they are very friendly and patient with us.

I noticed in the notice the council is blaming the Jackmans for the all problems in Neasden lane. I believe Jackmans taken all necessary action to prevent crime and street drinking by not allowing street drinkers to buy alcohol and asking the drunk to disperse from the shop front.

Many of my friends feel the same way .I have gathered signatures from people who feel the same way.

[Redacted]

Yours truly,
