**Police representation to the Premises Licence application for 'Nando's' Chickenland Limited trading as 'Nando's', Unit 2, Capitol Way, Colindale, NW9 0AW**

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

**Police Officer: Paul Scott  
Licensing Constable PC 3302NW**

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder, the prevention of public nuisance and the protection of children from harm.

***Police require the following points should be included in the operating schedule or added as conditions on the premises licence.***

**Closed Circuit Television (CCTV)**

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, advising that CCTV is in operation.

### **Open Containers and Areas for Consumption of Alcohol**

Customers will not be permitted to take open containers outside the premises, as defined in the plan submitted with the operating schedule and approved by Responsible Authorities. The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

### **Operating Hours to be displayed on Premises**

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Likewise the name of the Designated Premises Supervisor (D.P.S.) should be similarly displayed. This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

### **Personal Licence Holder**

The sale of alcohol to drunken people and children is a major concern to police and highlighted in the Governments Alcohol Harm Reduction Strategy. Those who sell alcohol should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

### **Police require the following points should be added as conditions on the premises licence as below.**

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.

A CCTV camera shall be installed to cover the entrance of the premises.

The CCTV system shall display on any recordings the correct date and time of the recordings.

The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises.

A 'Challenge 25' policy shall be adopted and adhered to at all times

A sign stating "No proof of age – No sale" shall be displayed at the point of sale.

Customers will not take open drink vessels outside the premises as defined on the plan submitted to and approved by the Licensing authority.

Alcohol to be consumed on the premises shall only be provided as an accompaniment to a meal. Customers are not allowed to sit, stand or be served from the bar area, or any other staff area used for the preparation of alcoholic beverages.

A copy of the premises licence summary including summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

A clear and unobstructed view into the premises shall be maintained at all times.

Any staff directly involved in selling alcohol for retail to customers, staff who provide training and all managers will undergo regular training of the Licensing Act 2003 legislation. This will be documented and signed for by the DPS and the member of staff receiving the training. The training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- 1) All crimes reported to the venue.
- 2) Any complaints received.
- 3) Any faults in the CCTV system.
- 4) Any visits by a relevant authority or emergency service.

Yours Sincerely,

**Paul Scott PC 3302NW**
