

279a Neasden Lane ,
Neasden.
NW10 1QJ.

Dear Sir / Madam,

RE:Jackmans ,279 Neasden lane ,London ,NW10 1QJ.(case ref -2019-2077)

I am writing this letter to make my representation for this case. [REDACTED] have been Jackman's customer for the last few years and I regularly shop with them . The problem highlighted by the notice has been prevalent in this area for long time. The anti social behaviour mentioned mainly occur in the early hours of the morning when the men working this construction and building work gather in groups .

At these times Jackman's don't open and there are few establishments on Neasden lane open 24 hours and sell strong beer at early in the morning.

In the last few weeks after I have had men gather near my stairs and consume alcohol and sleep over night at the bottom. These incidents have taken place after Jackman's has suspended the sale of alcohol products.

I strongly disagree with you on directly accusing Jackman's as the root cause of all the issues. I strongly believe that the root cause of the violence and crime issues are due to highly unemployed and lack of social support. In this instance the council has failed to tackle the root cause.

Your sincerely,

[Handwritten signature]

PS: I have included picture as evidence.
