Police representation to the Premises Licence application for 'McDonald's Restaurants', Forty Lane, Wembley, HA9 9EX.

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

**Police Officer: Paul Scott
Licensing Constable PC 3302NW**

An officer of the Metropolitan Police, in whose area the premises are situated and who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder and the prevention of public nuisance.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Operating Hours to be displayed on Premises

A notice displaying the opening hours and the type of licensing activity should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises.

Police require the following points should be added as conditions on the premises licence as below.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.

A CCTV camera shall be installed to cover the entrance of the premises, the main restaurant, servery/till area and entrance to the toilets.

The CCTV system shall display on any recordings the correct date and time of the recordings.

The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulder image of every person entering or leaving the premises.

A copy of the premises licence summary including summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

An incident log shall be kept at the premises, and made available for Inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- 1) All crimes reported to the venue.
- 2) Any complaints received.
- 3) Any faults in the CCTV system.
- 4) Any visits by a relevant authority or emergency service.
- 5) All ejections of patrons.
- 6) All seizures of drugs or offensive weapons.

Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

Yours Sincerely,

**Paul Scott PC 3302NW
Licensing Constable - Brent**
