Police representation to the Premises Licence application for 'Fudam, 238A, Ealing Road, Wembley, HA0 4QL'.

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

**Police Officer: Paul Scott
Licensing Constable PC 3302NW**

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder and the prevention of public nuisance.

On Thursday 12th September, police met with the applicant Miss Velgi and Mr Altman, Licensing Consultant. The premises will be run as a restaurant and not a bar. Bookings at the venue were discussed and the applicant agrees that a booking procedure will be adopted at the venue. This will include names and addresses of applicants.

The restaurant is to be a family run business and is not the type of venue that would be attracting street drinkers and will not supply high strength beers. Seasonal variations were discussed and agreed, as were the hours for the supply of alcohol and late night refreshments.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public. Furthermore, images will be retained for 31 days.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Likewise the name of the Designated Premises Supervisor (D.P.S.) should be similarly displayed. This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

Hours for the sale of Alcohol

This restaurant is located in an area that has regularly had issues and continues to have issues regarding anti-social behaviour and street drinkers. This is an issue that the police are working hard to eradicate and Police consider in order to promote the licensing objectives in particular to prevent crime and disorder and public nuisance that the authorised sales of alcohol do not begin daily until 10.00 hours and finish at 23.30hrs. This was agreed with the applicant. There will be a half hour drinking up time and the premises will close to the public at 00.00hrs.

The restaurant is also situated in a residential area and it is felt that customers leaving the venue could cause considerable noise nuisance to those residents residing in the flats both adjacent and above the restaurant. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

Police require the following points should be added as conditions on the premises licence as below.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.

A CCTV camera shall be installed to cover the entrance of the premises and the main restaurant, bar area and entrance to the toilets.

The CCTV system shall display on any recordings the correct date and time of the recordings.

The CCTV camera that covers the entrance to the premises, shall be capable of obtaining clear facial recognition images and a clear head and shoulder image of every person entering or leaving the premises.

A 'Challenge 25' policy shall be adopted and adhered to at all times.

With the exception of persons seated on the chairs around the service area, as shown on the plan, all sales and supplies of alcohol will only be served directly to persons at a table.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

Customers will not take open drink containers of alcohol outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

Customers carrying open or sealed alcohol drinking vessels shall not be admitted to the premises.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- 1) All crimes reported to the venue.
- 2) Any complaints received.
- 3) Any faults in the CCTV system.
- 4) Any visits by a relevant authority or emergency service.
- 5) Any refusal of the sale of alcohol.

All deliveries shall take place during normal working hours (i.e.09.00hrs to 18.00hrs daily).

Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

No children shall be permitted on the premises after 22.00hrs, unless accompanied by a responsible adult.

Police propose the following hours for licensable activities:

Late Night Refreshments

23.00hrs – 00.00hrs – Seven days a week.

Supply of Alcohol

10.00hrs – 23.30hrs – Seven days a week.

Hours Premises is Open to the Public

10.00hrs – 00.00hrs.

Seasonal variations

23.30hrs on Boxing Day until 02.00hrs on 27th December.

23.30hrs on 31st December until 02.00hrs on 1st January.

Yours Sincerely,

**Paul Scott PC 3302NW
Licensing Constable**
