Public Consultation

Proposed extension to the existing Controlled Parking Zone NT

Brent Council introduced controlled parking zone NT after a successful consultation with local residents and businesses. The original scheme included Normanby Road, Mulgrave Road, Lennox Gardens, Sonia Gardens and Park View Road. This scheme was implemented in February 2008 which was approved by the Council's Highways Committee.

However, a number of complaints have been received from residents living outside the CPZ area about the parking displacement into their roads. The residents have now requested that they want to be included in a CPZ. The Highways Committee has therefore agreed to consult you on CPZ proposals for your streets, which would be an extension of the existing zone NT as shown on the map overleaf.

As a resident/business of the area from which complaints have recently been received you are requested to indicate on the attached questionnaire, whether you now wish to be included in **zone NT which operate between 8.30am to 6.30pm, Monday to Friday**. Please therefore complete and return the questionnaire by **Friday 9th October 2009**, using the freepost facility.

A draft scheme has been designed for the area which will be on display at Neasden Library, 227 Neasden Lane, NW10 1QJ from **14th of September to 9th of October 2009**. Council officers will be in attendance to answer any questions you may have on the following dates:

Thursday 24th September 2009 from 5.30pm – 7.30pm
Friday 25th September 2009 from 3.30pm – 5.30pm
Saturday 26th September 2009 from 1.30pm – 4.30pm

A brief reminder of how CPZ's operate generally is provided below:

- All the kerbside space will be controlled. Yellow lines will be introduced to control road junctions (double yellows) and vehicular accesses (single yellows). This will prevent obstructive parking on junctions and across driveways. It will also improve accessibility for pedestrians, the disabled, emergency services and refuse collection.
- Parking will be either in permit holder, pay & display or shared use (permit & ticket holder) bays. Residents will need to purchase permits if they, or their visitors, wish to park in the designated bays during the scheme's operational hours. Permit charges are shown overleaf.
- Blue Badge holders may park their vehicle without payment and without time limit in a permit holders bay provided that a valid disabled persons' badge is displayed.
- 'Pay & Display' parking will be between 1 to 4 hours maximum stay and the current cost of parking in these bays will be from 40 pence for 20 minutes to £6 for up to 4 hours.
- Residents' visitors can park all day in a permit holder parking bay by displaying a visitor's permit or by scratch cards. The annual visitor's permit will cost £100 per annum and book of 10 scratch cards will cost £10 each. A maximum of 15 books can be bought at this price and the price of additional books will be £20 each.
- The CPZ is intended to give the permit holders priority use of the parking spaces during the scheme operational times, but does not necessarily guarantee a parking space. Experience with CPZ's introduced elsewhere in the Kilburn and Willesden area has shown that residents are generally able to park close to their homes, even where there is a high density of residents.
- Only the Zone permit holders will be entitled to park in any street within the zone, but not in any other zone. Similarly, permit holders from other zones will not be entitled to park in your Zone. The zoning helps to manage local demand for parking, especially in the roads close to shopping areas; a larger zone may encourage permit holders to drive and park within the zone in bays near shops or rail stations, thereby inconveniencing residents close to these amenities.

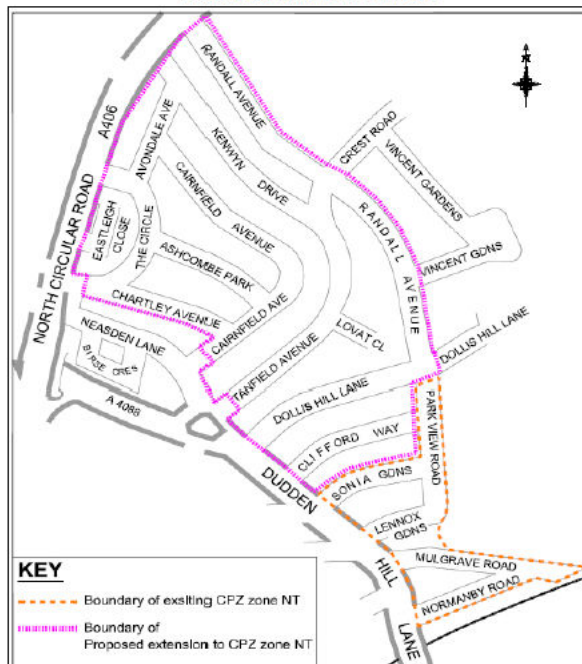

If you require any further information on the existing CPZs or wish to discuss any specific issue please contact on 0208 937 5127.
