Our ref: TP155 KH EXT - TC  
October 2009

Dear Resident,

Brent Council has been contacted by residents living in the section of All Souls Avenue between Chamberlayne Road and Hardinge Road. This section of All Souls Avenue has no parking controls and residents there are experiencing parking problems. The inclusion of All Souls Avenue into the adjacent zone KH CPZ could help to address those parking problems.

The Council would like the views of local residents to establish whether there is support for the inclusion of this length of All Souls Avenue within the KH controlled parking zone. Included in these consultation documents is a plan showing the proposed layout of the parking scheme, and how it will affect you. Also included is a questionnaire asking for your views on this proposal. All residents within the affected section of All Souls Avenue are encouraged to fill out the questionnaire and return it in the FREEPOST envelope before the closing date of **Monday 9<sup>th</sup> November 2009**.

After the closing date, all responses will be collated and analysed. The final result along with officers' recommendations will then be presented to the Council's Highways Committee in November 2009. Shortly thereafter, all residents will be sent a letter informing them of the committee's decision.

**If majority of residents show support for the inclusion of this part of All Souls Avenue into zone KH CPZ, it will be progressed and your road will be amalgamated within the zone which operates between Noon – 3pm, Monday to Friday.**

Please be assured that a CPZ will only be implemented if there is a majority support otherwise the Council will not proceed. If majority support is not identified the Council would not be able to consider including this part of All Souls Avenue into the KH CPZ.

Please see the back of this document for further details on how to respond to this consultation.
