Our Ref: 18456

Dear Mr Shabbir,

Licensing Representation to the Initial Application for the Premises Licence at Pasha London Ltd, Unit 2 Darwin House, 1120 Harrow Road, NW10 5NA

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

Following my visit on Wednesday 26th February 2020, the following points were discussed and confirmed by you:

- You took over the business on 21st June 2019.
- You are not paying business rates at present.
- You confirmed that you provide Shisha as part of your business, which is solely operated by you and not sub-leased to a third party.
- You stated food such as burgers and drink will be the core business activity.
- You stated that you are in the process of appointing a new manager to manage the premises as you will not be present on a daily basis.
- Customers will smoke shisha in the balcony area on the first floor. You currently have three tables and six chairs in the balcony area but you can add an additional two chairs.

- It was pointed out to you that the 'seating area' on the first floor is over 50% enclosed.
- There are concerns that should the premises be busy, there is opportunity for customers to smoke within the seating area. You confirmed that you are aware of the Smoking Regulation and will not use the seating area to permit smoking at any time.
- Only background music provided. There will be no events such as DJ's and dancing taking place.

The Licensing Authority require the following points to be included in the operating schedule or added as conditions on the premises licence:

Plan

It has been noted that the plan submitted with the application does not coincide with the layout on the first floor. You have failed to include the shutter runner which separates the balcony / seating area on the plan. You need to clearly label the smoking area as the balcony or something similar.

In order for the Licensing Authority to withdraw this representation, it will be necessary for you to confirm that you accept the above conditions in writing and provide an up to date plan by Friday 6th March 2020.

Yours faithfully
